

BYO Charters

Sometimes you just want to do your own thing but you still need an amazing venue to make it happen.

With that in mind we offer BYO charters where you can bring you own drinks and food while we supply the venue and crew. Our superstar hospitality and marine team will still be on board to serve the drinks and assist you with the food so you can make the most out of your time in the Harbour.

BYO events generally work out to half the price of catered, which means you can spend that extra budget on some great add-ons such as a spa or our DJ, but you can even opt to BYO DJ if your friend is happy to work and play at the same time!

A fantastic perk of this option is that the food and drinks you choose to bring on board are entirely up to you, some common types of catering brought on board include but are not restricted to:

- Platters of cheese, meats, anti-pasto, sandwiches, sushi, fruit, sweets, chips, dips, nuts, pastries.
- Sausage rolls, vegie pasties, mini pies, pizzas to be heated in the oven.
- BBQ food such as sausages, skewers, steaks salads and bread rolls.
- Cooked roast and pre-carved meats such as pork, beef in gravy in trays, salads and bread rolls to be served at the buffet.

BYO drinks also means you get to bring your favourite beverages to please even the most picky of your guests. Our staff will be happy to prepare and serve your drinks so all you have left to do is enjoy the cruise knowing you're in good hands.
